Hi Laura,
Hope all is well
It was a good "locked" weekend ... still trying to adjust :-)

@ JP : Next couple weeks is fine - just give me a few options and I will try to adjust to one

I can connect this week too if you want to talk. Usually end of day / evening is better as I am a few hours ahead but if you prefer just text me during the day later this week and we find time

Thanks

Hi Rodrigo,

Hope you had a nice weekend, considering the 'new normal.' We would like to set up time for you and JP to have a call, would that work for you in the next couple of weeks?

Would you have a few minutes to connect this week?
